SENIOR CLASS HISTORY

"1953"

The class of nineteen hundred and fifty-three started out with thirty-six pupils in the first grade. Of the original thirty-six pupils Phyllis Zimmerman; Patsy Orders; Betty Givens; Gayle Moore; Shirley Hughes; Ned Hall Gerald McDaniel; Gene Beard; Paul McGlaughlin; Glenn Moore; remained. Many were lost as transfers. The class gained Ted Moore in the second grade; Jeralon Parker, Don Prater in the third; Barbarba Allen, Kash Allen, in the fifth; Neil Hall in the sixth; Irene England, in the ninth; Geneva Neeley, Don Mallow in the twelfth.

During our grade school we had great many activities going on which we looked forward to especially our grade assemblies, hikes, and parties. After we got in high school our clubs got more worthy and meant more to us. We had Y-Teens; F.H.A.; Hi-Y; musice; and sports. During the high school years we had four senior girls being cheerleaders and six boys going out for basketball.

We received our Junior class rings December 7, 1951 of which we were all proud of. In our Junior year we helped with the Public Speaking Play "Finders Creepers" given March 27 & 28, 1952 directed by Richard Lowery. We gave our Junior Play "A Ready Made Family" under the direction of George McCoy April 25, 1952. The Junior year ended by giving the Seniors a reception at the Elks Club at Findlay May 9, 1952. We had an enjoyable evening together.

The senior year started out with much excitment or we looked forward to having our pictures taken and getting started on the annual. We gave our senior play October 23, 1952 "The Boarding House Reach" with George McCoy as our director. We went to Failor's Studio and had our senior pictures taken and received them December 9, 1952.

We ordered our name cards and invitations February 26, 1953. The Juniors have decided on a new plan for the Junior and Senior Prom this year. On May 8, 1953 in the new cafeteria room decorated festively for the occasion and interesting and enjoyable program is planned. "Since the proof of the pudding is in the eating" we are not able to report on the success of the invitation as we go to press. We had a wonderful time on May 23, 1953 at the Alumni Banquet. The meal was served at the First Methodist Church and after eating we proceeded to Maysville and enjoyed an evening of dancing. The most exciting time of the year came at the end on May 17, 1953, our Baccalaureate and Commencement. As we sat on the stage and received our diplomas many events passed through our minds and caused us to wonder what each of us as young people going out into the world would do and make of ourselves.

We left for Chicago Sunday morning May 24, 1953 and returned home May 30, 1953. The trip was very enjoyable to all of us. The bus was a thrilling and new experience to most of us. We found the sights in Chicago startling and beautiful. We only regret that we couldn't stay longer in Chicago.

The following teachers all during our twelve years of school were; "Miss Marie" and Eloise Hall Hanson, Audrey Hanson in the first; Mrs. Beard in the second; Mrs. Ballman in the third; Miss. Broseke in the fourth; Mrs. Greer in the fifth; Mr. McGlaughlin in the sixth; Mr. Spangler in the seventh; Mrs. Sherburn in the eighth. Our high school teachers were as follows Mrs. Wissinger; Mrs. Dickerson; Mrs. Spangler; Mrs. Long; Mrs. Kritzler; Mr. Eley; Mr. Mayor; Mr. Thornton; Mr. Vannoy; Mr. Beard; Mr. McCoy; Mr. Lowery; Mr. Yost; Mr. Soash; and Mr. Cotterman.

Phyllis Zimmerman

CLASS PROPHECY

While on duty in the hospital, to my astonishment, I happened to be taking care of a classmate of mine, Mrs. Jack Streets, the former Betty Givens. She had just given birth to her second set of twins, Johine and Rhonie. As we were chatting about our good times at Alger High, she was telling me about the last Alumni banquet which I regretted missing very much. Barbara Craft and her husband are living in the Blue Grass of Kentucky. (Barb is very busy taking care of her three curly-haired boys). Mr. Kash Allen and his wife, Marlene, have three children and are living in New York where Kash is working as an architect in charge of the New United Nations building. (He didn't like the old one.) Irene England, better known as Blondie, is quite busy giving permanents to girls and manicuring boy's finger nails. Patsy Orders is her competitor-----selling Toni Home Permanents. Patsy is also a house wife in her spare time. Paul McGlaughlin, a well-known bachelor, is making his life in the Navy as a U.D.T. Forman. Gene Beard, who has finished his course in agriculture is now a very prosperous farmer. He and his wife, the former Myrtle Cramer, live in Wisconsin (the dairy state). Phyllis Zimmerman has completed her course in Business School, and is private secretary for the Packard Auto Sales. She, her husband and two girls are now living on Market Street Boulevard, Lima, Ohio. Ned Hall, who oversees the Sciota Land Company, also is a salesman of John Deer Implements, for the Christy Tractor Company. He married his high school sweetheart, Betty Gross.

As the saying goes, Time never waits on anyone, it was time for me to go off duty. As I was leaving, Shirley Hughes was coming on. Incidentally she is married to Heber Conley and they have two children. Gerald McDaniel is now running a barber shop in town. He and Helen have no trouble in keeping their three boys hair cut. After work I decided to go see him.

PROPHECY CONTINUED...

He didn't have any customers so we sat and talked about all the rest of the class. He said Don Mallow, now owned a Private Air line in Hollywood where he flew just Movie Stars around. Ted Moore also fly's airplanes to Hawaii to bring Hula dancers to America (he enjoys his job very much.) Gerald also said that Don Prater owns Meadow gold dairy in Lima and is now married to Janet Ransdell they have four children. Gayle Moore is now a professional ice skater, she is in the Ice Follies in New York City and is married to her boss. Scott Spencer, now owns a large farm in Scotland and married a well to do Scottish girl. The former Geneva Neeley is now Mrs. Frank Wiker, they live in Lima Ohio, he is the owner of a House Construction plant. Glen Moore owns his own barber shop in Alger, he has taken over Alva Gossard's (he is a happy go lucky bachelor) Neil Hall, the boy of our class who is very well known, is now discharged from the army and is living South of Alger and is raising Herford cattle.

As a closing thought in the class Prophecy I hope that all the Seniors will turn out as well as I have predicted .

Your Class Prophet,

Gerald Parker

GRUMBLER "53"

Boy! I sure wish they would heat this typing room some time, How do they expect us to type with gloves on?

I wonder if those men who work on the old gym could make a little more noise the 7th period, we can hardly hear Mrs. Wissinger now.

Why doesn't the SCHOOL BOARD have escalators put in for us while they are fixing every thing else.

Mr. Thornton don't you know we girl's get hungry at noon when you keep us in because the boys cut up. We can't help what they do!

Mr. Yost why do we have to throw our gum away in typing class that is the way we keep time! Where is the music you were going to get for us to type by?

Why doesn't Earl fix those chairs in Study Hall. When one person moves he bothers the whole school.

Mr. Vannorsdall, that English is sure hard to get. It's more like College English than Junior and Senior English.

OH! Mr. Yost those term papers in Ec. Geog. they were so hard I don't think we will be able to do our work for Months to come.

We've had a lot of movies this year, but it seems to me they always come during 6th period study hall: (JUST BEFORE A TEST.)

Who was that shooting paper wads intyping class? Good marksman HUH? How about it Prater?

What is this school coming to, all the girls wearing boy's rings and they aren't all from Alger either. And some even wearing two rings.

Although I have grumbled a lot about ALGER HIGH and its teachers, I still think this is the best school and about the nicest teachers there are.

Come next year, the other kids and myself will sure miss old ALGER HIGH.

Peachy: Geneva can do anything with a piano.

Don Prater: Could she lock it up and drop the key in the river.

Don Prater: I'll hold this punch with the pliers and when I nod my head you hit it with the hammer.

Ernie: O. K. (He did and I am afraid that Don has quite a lump on his head.)

Gabby: Gee but I am glad to see you Ned!

Ned: Just how glad Gabby?

Gabby: Why you can have anything in the place.

Ned: Thanks I'll take the cash register.

Teacher: How is it that your homework sums are all correct?

Pupil: Dad is away from home.

Hotel Clerk: Why don't you wipe the mud off your shoes when you come in here?

Mountaineer: What shoes?

Peachy: What do you give your husband when the dinner does not suit him?

Mrs. Soash: His coat and hat.

Foreman: Hey in there. Are you working? I can't hear any noise.

Kash Allen: Whatcha think I'm putting this paint on with, a hammer?

In the hospital corridor, an excited father frantically stopped a nurse,
"Tell me; is it a boy?"

"Well", returned the nurse calmly, "the middle one is."

Jones: Dinwiddow told me his family is a very old one. They were one of the
~~first to come across.~~

Smith: The grocer told me yesterday that now they are the last to come across.

Scott Spencer: I just bought myself a used car.

Danny Preston: Yeah, what model?

Scott: It's no model it's a horrible example.

Phyllis Z. Thanks very much for the present.

Patsy Orders: Oh, that's nothing to thank me for.

Phyllis: That's what I thought, but mom told me to thank you any way.

The surest way to stay out of the Army is to join the Navy.

Mrs. Wissinger: "What is a rare volume?"

Don Prater: It is a rare occasion when you loan a book and it comes back.

Mr. Soash: When do the leaves begin to turn?

Jeralou: The day before an examination.

Linda Hanson: This dance floor certainly is slippery!

Ernie Risner: It isn't the dance floor. I just had my shoes shined..

Gene Beard: I wish to rent a horse.

Groom: How Long?

Gene: The longest you have , there is five of us going.

Jeralou: My dad made a scare crow so natural that it frightened every single crow off our farm.

Geneva: That's nothing! I made one that scared them so much that they brought back all the corn they stole last year.

Gerald McDaniels: Does this wind bother you?

Helen Compton: No, not at all talk as much as you please.

Faye Lou Beard: This cornet gives me a steady income.

Is Werne Z.: Is that so? I didn't think that you were that good.

Fay Lou: I'm not but dad gives me 50 cents not to play it.

Danny: When you asked her to dance, did she accept quickly?

Kash: And how, she was on my feet in an instant!

Don Prater: Did you keep cool when the bandits entered the store?

Gabby: I'll say, they put me in the meat cooler!

Crook: Hand over your money or I'll blow your brains out.

Paul McG.: Blow away brother. I can live in this town without brains but I gotta have my money.

Don Mallow: Who was the blonde you were with Thursday and Saturday nite?

Neil Hall: The brunette I was with Tuesday and Wednesday.

Mr. Cotterman: After finishing one of his two hour speeches, "I am sorry that I talked so long but I left my watch at home and I have no way to tell time."

Betty Givens: From the back of the room, "Yes but there is a calender in back of you."

Mrs. Wissinger: Ted, why do the bells ring at Christmas?

Ted: Because someone is pulling the ropes.

Mr. Vannorsdall: Scott your the laziest boy in this school. Is there any thing your quick at?

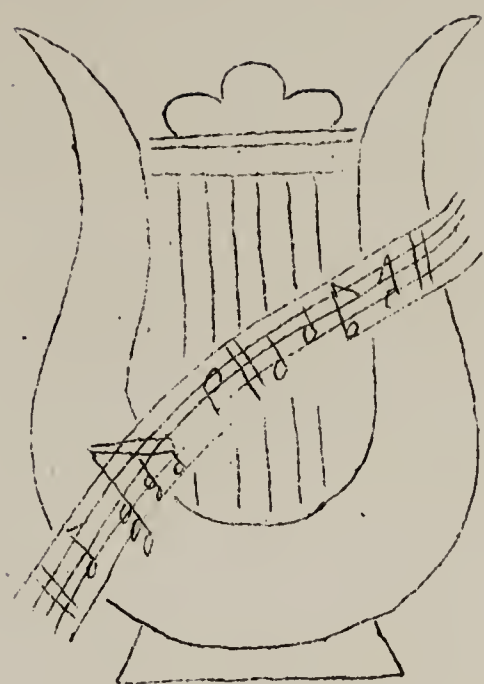

Scott: Yes, I get tired awfully fast.

Bobbie P.: Why are you feeding your baby brother that yeast?

Philip C.: He swallowed my nickel and I am trying to raise the dough.

Mr. Soash: After getting the new graduates on the bus to leave for home, "Quick Neil, run up to room 454 and see if I left my pajams and razor. Hurry up because the bus leaves in six minutes."

Neil: Four Minutes later and all out of breath, "Yeah they're up there."
